

New Services have been developed
And innovative channels in 2017.

"Our values are not just slogans,
But reflects how we work together
with our clients"

President's speech Board of Directors

A development process that does not stop..

We believe in the responsibility we have assumed towards our customers and the guidance of our leadership wise in the light of the continuous development of the Kingdom in various fields, in order to drive the process of this precious and modern cultural and developmental society. Ben Hadi is always keen to be the first company in the field of Car Rental. Over the past few years, Bin Hadi has achieved great success to become one of the leading car rental companies in Saudi Arabia. Since 1979, Bin Hadi has made great strides in its presence in the Saudi market in the service of approximately 70000 distinguished customers. We consider every day a new challenge to do a better work. This makes Ben Hadi teams commitment to specific and uniform standards in performance and transaction necessary to continue the process of success and excellence, which was the most important factors is to achieve the satisfaction of customers by satisfying their wishes and the commitment of employees of Ben Hadi group of general rules of the companys operations. We have therefore developed a new system for the regulation of business behaviors to achieve and ensure that, what we do at Ben Hadi is always according to what customers expect. We have developed this booklet because we know that you will need to be fully aware of the standards we have taken for ourselves to maintain the best service that meets your requirements. We have developed this booklet because we know that you will need to be fully aware of the standards we have taken for ourselves to maintain the best service that meets your requirements. I am sure you will agree with me that it is important that we continue to adhere to those standards that ensure us Success and advancement, and to remain always in our distinguished position. In conclusion, I would like to extend my sincere thanks and appreciation to all employees of Ben Hadi for their efforts and their time throughout the previous years to establish and develop the company and to reach this institutional entity which we see today.

Best Regards
Ali Mohamed Bin Hadi
